

## Prayer to St. Kateri

O Blessed Saint Kateri, Lily of the Mohawks,  
“Little Sunshine”, favored sister of all, especially the Aboriginal Peoples.  
You were among the First Peoples of Canada to welcome the faith in Jesus Christ.  
In spite of your harsh environment and personal suffering,  
You witnessed to your people with prayer, the cross and service.  
Pray for all the faithful of the Diocese of St. Paul; the First Nations People, the  
descendants of the early settlers, the more recent immigrants, and those who do  
not yet know Jesus.  
Inspire us to embrace the cross of Christ, as you did, and with it to rejoice in the  
Goodness of God that comes to us each day.  
You accepted Jesus as your Friend and God.  
Help us also become his disciples and co-workers in the kingdom in word and in  
deeds, so as to build a just and peaceful world.  
Join with us in prayer, through the intercession of Mary to Jesus Christ our Lord.  
Amen
